Commercial / Therapy Rooms to Rent on Callington Road, Saltash

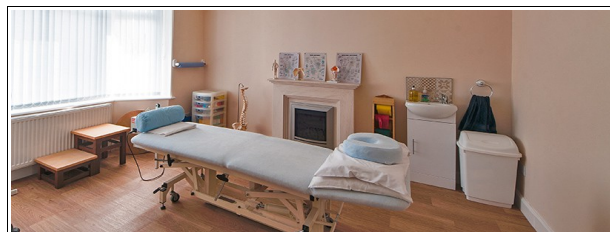

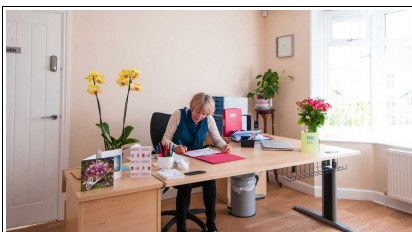

Saltash Physiotherapy Clinic would like to expand the services on offer to our clients.

We have recently renovated a bungalow to a high standard to base our clinic from.

There is a modern and light communal reception area with ample seating, a staff only kitchen with cooking facilities and a quiet garden area. The property has good off road parking, is situated on the main route into the town and is very close to a bus stop.

There are two rooms available for rent on a commercial basis if you or anyone you know would be interested. We are happy to consider any profession/business, medical or non medical. The room would be available on a full or part day basis. Rent would include basic utilities (gas, electricity, water).

Both rooms are approx 11ft 9ins by 12ft 5ins (3.57m x 3.78m), both bright and spacious. One furnished with couch and desk, the other is an unfurnished room.

Please contact Hayley on [01752 202202](tel:01752202202)
